It is Sunday. There are a lot of people in South Kwai Chung Public Library.

Many people follow the rules of the library. King borrows a book. He can keep the book for two weeks. He can't return it late. Mum read a story softly. Sam has a test next week. He reads a book. Jeff and Gigi use the computer at the computer corner. Amy can't read there because it is very noisy. Ken can't find his favourite storybook. Maybe the librarian can help him.

Some people don't follow the rules. May drinks some cola. She cannot drink. Peter and Bob talk loudly there. They cannot talk so loudly there.

We must follow the library rules.
