

Name: Hannah

Class: 2D

My monster

My monster's name is Mia. She is short, fat and small. She has three big eyes. She has two small noses. She has two big wings too. She is fun and cute.

She gets up at six o'clock in the morning. She has breakfast at half past seven. She plays football at a quarter past four in the afternoon. She goes to bed at a quarter to twelve. I like Mia very much.
