Subject: Hello! Nice to meet you!

Dear Mr. Thomas,

I am so pleased to receive your email. Does your country snow in winter? Do you like making a snowman?

I live in Tsing Yi. I like living there because it is convenient. When I cross a zebra crossing, I can see a swimming pool and a sports area. Next to the sports area is a shopping mall. We have McDonald's and Pizza Hut in the mall.

The weather is good in Hong Kong. In spring, the weather is warm. I can see a lot of colourful flowers. In summer, the weather is hot. I like eating ice-cream. In autumn, it is cool and windy. I like to fly kites. In winter, it is cold. I usually stay at home and play games with my family. We eat hot pot, too.

There are four members in my family, including my humorous father, gentle mother, lovely sister and me. My sister is younger than me. Her name is Kasey. I usually watch TV and play games with my family. We have a lot of fun!

In my spare time, I like playing the piano and reading storybooks. I like English storybooks but my sister likes Chinese storybooks. We seldom share our cherished books. My favourite subject at school is English because I think English is easier than Chinese. My sister doesn't like English because she does not know how to speak English.

I know that you are in Hong Kong now. Have a good time!

Best wishes,

Kini
