Good Manners

Good manners are very important. We should be polite to others and behave well in the public.

In the museum, we should walk around the rooms quietly because we don't want to disturb others. We should speak to the staff softly. We should talk softly in the museum because we don't want to make the place noisy. On the other hand, we should not draw on the wall. We should not run in the museum. We should not eat either so as not to make the place messy.

In the restaurant, we should eat quietly. We should speak to the waiters politely. We should eat neatly because we don't want the waiters to work very hard to clean the table. However, we should not smoke in the restaurant. We should not use our mobile phones when we eat. We should not play with food because it will waste a lot of food.

In the MTR station, we should wait for the MTR patiently. We should walk slowly in the MTR station. We should talk softly on our mobile phones. Moreover, we should not eat on the MTR. We should not play with the doors. We should not push others because other people may fall down and get hurt.

Good manners are very important. We should behave in public places so that we can have a more peaceful place to live in.
