

Name: Matthew Wong

Class: 5B

Peter and Ben were best friends. One day, they went to the library together when they heard a strange sound. 'Huh? Do you hear that sound, Peter?' asked Ben. 'I do... Maybe it's coming from the park?' Peter replied. 'Well, let's go!'

When they got to the park, the sound was getting clearer, and they saw something very shocking. They heard a menacing voice saying, 'Give me all of your valuables!' After hearing that voice, they got even curious and inched closer. They saw a robber who was tall, skinny and had scars. They also saw a fat, short lady who looked sad and scared.

When Ben saw the robber and the lady, in the blink of an eye, he changed into Superboy! 'So you're Superboy!' said Peter. 'Yes. Now stop, robber!' replied Ben as he got ready for action. He fought with the robber.

Ben defeated the robber finally. The lady was very grateful to Ben. She said to him, 'Thank you for your help! As a gift, I will buy you ice-cream!' When Ben and Peter were going to the ice-cream shop, Peter called the police. Ben and Peter felt delighted because they saved the lady.
