Good Manners

Good manners are very important. We should be polite to others and behave well in the public.

In the museum, we should walk around the rooms quietly and speak inside the rooms softly because we don't want to disturb others. Don't be naughty! We shouldn't draw on the wall. We shouldn't eat or drink either.

In the restaurants, we should eat quietly because it may disturb other customers. We should speak politely to the waiters. We shouldn't speak loudly. We shouldn't run because it is dangerous either.

On the train, we should keep quiet and talk softly on the phone because it is rude to speak loudly. We shouldn't eat or drink because it may make the compartment dirty. We shouldn't smoke on the train either.

It is important to have good manners everywhere!
