A Letter to My Friend

Dear Karen,

Yesterday morning, Jack invited me to go to the Hong Kong Book Fair in Wan Chai. I was so excited because I have never gone there before. I waited for Jack at the MTR station. As soon as Jack arrived, we went to the bus station to wait for the bus going to Wan Chai.

After a while, the bus came. Jack and I felt very bad because the bus was too crowded and had no air-conditioning. As there were a lot of passengers on the bus, it was hard to breathe and I felt sick. I sweated a lot as it was so hot. I started to feel dizzy. Jack asked, 'Are you feeling well?' I replied, 'No, I am not feeling well.'

Suddenly, I wanted to vomit. I fell on the floor. The passengers were so worried because it was very crowded on the bus. I felt dehydrated and very sick.

In the end, Jack and I went to the hospital. After two weeks, I could go back to school. I hope I can go to the Hong Kong Book Fair next time.

Yours,

Aaron
