A Trip to Thailand

3rd August, 2018

Sunny

I went to Thailand with my family last week. It was an amazing trip. We arrived at the airport in the morning and took the earliest flight. We brought 3 pieces of luggage and arrived at the Thailand International Airport at eleven o'clock.

First, we went to the beach. It was sunny and hot. There were a lot of people on the beach. Mum enjoyed sunbathing. Dad taught me how to windsurf. I was excited because it was my first time doing this sport.

Then, we went to a restaurant for dinner. We ordered chili crab, curry chicken and spicy pizza. For my drink, I had a glass of lemon tea. We enjoyed the meal.

At night, we went to a night market. I could see a lot of stalls, hawkers and tourists. We bought a lot of jewellery as souvenirs.

On the last day of the trip, we went to a museum. We watched some artwork and we also watched a show about the art history of Thailand. It was amazing.

I felt happy in Thailand. I want to go to Thailand again.
