

Finding a football

Manchester United's 3-2 victory is the team's second victory this season...

Wow! Manchester United wins again! My heroes! I want to be like them!

Oh! I haven't played football in so long... what a flat football! And I've lent the pump to Big Dee...

The next day after school

Haha! I'll make it into the right shape in just one minute.

Boom!

Argh! Big Dee, you pumped it up too much. What can we use to play football now?

No, don't look at me. I'm round but I'm not a ball!

Let's make a football like the old Chinese footballs. We can use seaweeds to wrap a ball.

Seems complicated. Is there another way?

Why not roll the newspaper into a ball? It's much easier.

Good idea!

Yeah, it's done!
